FROM HARDSHIP TO HOPE

Help Us Build a School for Vulnerable Children in Lira City, Northern Uganda

The Need

- 20+ years of war left deep scars on families in Northern Uganda.
- Thousands of children orphaned, abandoned, or displaced.
- Many never attend school, instead working dangerous jobs or living on the streets.
- Trauma, poverty, and lack of opportunity trap them in a cycle they didn't choose.

Our Solution

Purewish Junior School — a safe, nurturing environment for children ages 3–15.

Here they will receive:

- Quality Education
- Psychosocial Support & Life Skills Training
- A Community of Care

We combine free education for the most vulnerable with affordable tuition for families who can pay.

Why it Matters

Every child deserves more than survival — they deserve a future.

Your support will provide:

- Classrooms & learning materials
- Desks, books, and school supplies
- A safe haven where dreams can grow

How Can You Help

- Donate — Every contribution funds construction & resources.
- Share — Spread the word to friends, family, and networks.

How Far Your Donations Can Go

- \$11.61 will ensure 1 student has books for the year
- \$29.03 will buy a desk that will be used for years
- \$290.33 will pay for a teacher's yearly salary
